

I CAN BE ANY ANIMAL

D Bm G Am (the whole song follows this pattern)

Chorus:

Well I can be any animal that I want

As loud as a lion

Or as quiet as a mouse

I can stomp like an elephant stomp stomp stomp

Swim like a crocodile through the swamp

Hop like a Kangaroo hop hop hop

I can be any animal

That I want to be

I can be a cheeky Monkey in a tree

Or a nectar collecting buzzing bee

A great big whale in the deep blue sea

Or a platypus hiding in the reeds.

Chorus:

Lets see, I can be a tiger

I can be a zebra

I wonder

What animal can you be?
